**PETITION TO RESTART PREVIOUSLY SET PERIOD FOR REPLY DUE TO LATE RECEIPT
OF AN OFFICE ACTION: MPEP 710.06**

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

An Office Action having a mailing date of October 19, 2001 in the subject application was received on December 3, 2001 at the correspondence address of the undersigned firm having Power of Attorney in the subject application. This Petition requests that the previously set period for response be restarted from the date of receipt of the Office Action at the correspondence address of the undersigned firm, in accordance with MPEP 710.06 and parts (A) through (C)(2) thereof.

In accordance with part (A), this Petition is filed within two (2) weeks of the date of receipt of the Office Action at the correspondence address.

In accordance with part (B), the delay occupied a substantial portion of the set reply period (e.g., at least 1 month of a 2- or 3-month reply period had already elapsed as of the date of receipt).

In accordance with part (C)(1), a copy of the "Office action having the date of receipt of the Office action at the correspondence address stamped thereon is attached as evidence showing the date of receipt of the Office action at the correspondence address."

In accordance with part (C)(2) and pursuant to the usual mail processing procedures of the firm, incoming mail is delivered to the Office Services section of the firm. The mail is then opened by file clerk(s) of the firm who distribute the opened mail to specified firm personnel. All

mail from the USPTO is distributed to the Docketing Department.

In the Docketing Department, the Docketing Manager, Victor DelRio, personally date stamps, and/or supervises the date stamping of, each item of mail and the entry of the identification of each item of mail and the due date of response thereto into the automated docketing system of the firm. The mail is then distributed to the firm attorney having responsibility for the involved matter.

The belated receipt by the firm of large amounts of USPTO mail including the Office action to which this Petition is relevant, was brought to the attention of partners of the aforesaid firm who instituted procedures within the firm for processing this USPTO mail on an expedited basis and preparing and filing the subject Petition.

By this Petition, the undersigned attorney for applicant(s) requests that the previously set period for reply be reset to run from the date of receipt of the Office Action of December 3, 2001.

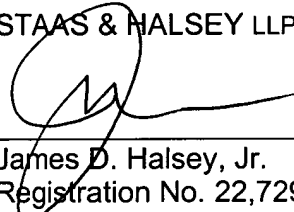

If any fees are required in connection with the filing of this Petition, please charge same to Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
